Subject: Age at menarche Posted by myatsu@iuj.ac.jp on Wed, 07 Dec 2016 17:26:19 GMT View Forum Message <> Reply to Message

Dear DHS Program Specialists,

I would like to know the updated data sets (2010-2016) which has the information about the age of menarche as I just found out that not all the data sets have that information.

Best Regards, Myat Su
