Hi

I am receiving some unrelated emails from this User Forum with following subjects:

concord 11s for sale

cheap jordan 11 concord

buy gamma blue 11

jordan 5 oreo restock

What are these? and any other user is getting same messages? I have just subscribed to one of the thread and these emails are not related from that one.

Any help I can get?

Hi owraza, We have been getting a bunch of spam postings lately. We have deleted the messages and banned the user. We will take additional measures if necessary.

Sorry for any inconvenience.
