Hello everyone

I'm aware that the 5-yearly review and consultation on the DHS Questionnaires is (over)due and our network does not want miss out on the opportunity to participate in this.

Can anyone here tell me when the consultation will start and the means by which interested parties can contribute?

Many thanks

Simon

Following is a response from DHS staff member, Tom Pullum:

The procedures will be posted conspicuously on the home page, and there will be a long window of time for making suggestions. We cannot be more specific because USAID has not yet awarded the contract for DHS-9.
