DHS Program colleagues,  
I have a question for you: At the risk of coming across as lazy, I was wondering whether there's a list of countries besides Uganda DHS 2001 that have asked respondents about age at menarche. I do realise this is not part of the core questionnaire (an issue I brought up during the DHS-7 questionnaire review), so the vbl would not show up in the recode manual.

Thanks

RHS

Dear User-RHS,  
Attached is a complete list for completed surveys. If you hover over the comments you can see how the questiona was stated.  
Thank you for your post.

Dear Liz, may I get an updated list of surveys that contain information on age at menarche?  
Thank you!
