Good evening,

Do you have any information on when the 2012 MIS survey dataset for Zambia will be available?
Or the SPA dataset for the same year?

Thanks very much

Kate

For survey status, please do a search at:

DHS datasets are not available until the final report is released for a particular survey. It's difficult to anticipate when final reports and/or datasets will be available, as their release depends on a multitude of factors. However, to receive email alerts immediately datasets are released, please sign up at: <http://dhsprogram.com/email-subscribe.cfm>.
