Hello,

For the sm213m variable in the Madagascar 2004 men's survey (MDMR41FL), I think the label should be "month of birth of FIRST child", instead of "month of birth of LAST child".

Best,

Bruno

Hi Bruno

You are correct. We will fix this and issue a corrected version.

This has been corrected in a new release of the Madagascar 2003-04 DHS Data.
