In DHS Pakistan 2006-07 data set we don't have a variable of vcal_1 variable i am highly interested in this variable for my master thesis research. Please explain me how can i generate this variable also in 1990-1991 Pakistan data set. waiting for quick response.

Dear User,

I checked the questionnaires for Pakistan 2006-07 and Pakistan 1990-91 and calendar data was not collected in those two surveys. The vcal_1 variable cannot be created in surveys where calendar data was not collected.

Thank you for your post.
