Hello,

I'm looking for questions on women's status in Malawi DHS 2004:

W100 Time knew husband.

W101 Who chose husband.

W102 Consent sought from respondent for marriage.

I cannot find them neither in the IR file nor in the HR file.

Where can I get these variables from?

Thank you.

Dear User,

In looking through all the questionnaires for the Malawi DHS 2004, these questions were not asked. If they had been asked, they would have been country/survey specific. To look at the questionnaires for the Malawi DHS 2004, please go to

<https://dhsprogram.com/pubs/pdf/FR175/FR-175-MW04.pdf>

The final report is bookmarked. You can then click on Appendix E to access the questionnaires.

If you have additional questions, please feel free to post again. Thank you!
