Dear User,
The full set of coefficients has been posted here http://
userforum.dhsprogram.com/index.php?t=msg&th=4772&got o=9149&#msg_9149
The Rutstein and Staveteig report (MR9) you mention was written in 2014 using data available at the time of publication; Zambia 2013-14 is therefore not included. Let me know if something further is needed.
Thank you!
