Subject: Côte d'Ivoire 1998 DHS Posted by baremma2002 on Thu, 01 Sep 2016 10:55:40 GMT View Forum Message <> Reply to Message

Dear DHS users,

I still have one question. I think this one has not been asked anywhere:

In average, how many households were there in each urban enumeration area (EA) and in each rural EA in 1998 Côte d'Ivoire DHS?

Thank you.
