Subject: Re: Adult Mortality based on Orphanhood Posted by Trevor-DHS on Fri, 23 Sep 2016 13:45:52 GMT View Forum Message <> Reply to Message

It is not clear what you are trying to do, but in most DHS surveys questions on orphanhood of children under age 18 are asked in the household questionnaire, however, the Indonesia 2012 questionnaires did not include these questions, so I don't believe there are any questions or orphanhood you can use. Rather, did you mean the sisterhood method?
