Hello,

In the BDHS 2014 questionnaire there are questions on division, district, upazila, union/ward, and village/mohalla/block. I can find the data on division and type of residence (urban/rural) but i can't seem to find the data on zila/district', upazila' and union/ward'code and name for each caseid/ woman/ child respondent in BDHS 2014. Can anyone help me with this? Thank you
