Hi,

I want to analyse the dynamic of contraception use using PDHS 12-13 data.

My question is how can I access calendar data set whether it is included in pkbr61sv.zip, pkir61sv.zip or in pkkrr61sv.zip,

some one told me it is a separate file known as PKEV61SV . But web page survey data file I can't find this code.

Looking forward to help me in this regards

Fahad
