Subject: Merging Datasets
Posted by fadams12 on Wed, 18 Jan 2017 00:14:47 GMT

Hi I am doing my thesis using DHS 2008-9 DHS dataset. I am having trouble merging these datasets KEAR KEIR and KEMR. I have followed the procedure provided in section for merging datasets without any success. Can I please get step by step process I am using SAS for my analysis. Also where can I get the information about these data set since I have look the DHS manual and not see description on datasets.
