---

Would like to do a table on force at sexual initiation that was on ZDHS2010 table 16.3 page 256, now on ZDHS2015 the same table is not there, and would like to tabulate it. My problem is I m not sure of the variables that were used on the table especially the ones on the bottom table . Please help I' m using CPro for tabulation.

Regards Simeleni
