Hello,

I am working with the DHS datasets from 2008 to 2012.

I have a question regarding the variable on the Juntos program participation (sh07b for 2008, s490 for 2009 and s484 from 2010 to 2012).

I have noticed many missing values for that variable. Does anyone know why we have so many missing values?

Thank you in advance with your help,
