Subject: Re: Calculate wealth index for Bangladesh DHS 1999-00
Posted by bakerchowdhury on Mon, 20 Mar 2017 21:28:31 GMT

It seems that the code provided on the DHS website requires a dataset named BDASSETS.DAT.
However, I was not able to download any data file named like that.
Any help in figuring out the difficulty would be much appreciated.

Regards,
Baker
