Subject: Re: Demand for FP satisfied with modern methods - Haiti Posted by bendaudv on Fri, 21 Apr 2017 16:59:34 GMT View Forum Message <> Reply to Message

Thank you for your reply. I calculated the numerator for ages 15-49, 15-19, 20-24 and 25-49 using the percentage value and weighted denominator extracted from the indicator API. Thank you.
