Subject: Recode Manual for DHS-VII Posted by ebrofsky on Fri, 28 Apr 2017 00:53:14 GMT View Forum Message <> Reply to Message

Hi there,

I am analyzing data from the Malawi 2015-2016 DHS which I believe was conducted using DHS-VII. I only see recode manuals up to DHS-VI on the DHS program website. I was wondering if there is a recode manual for DHS-VII available and if so, how I might access it.

Thanks!

Emma
