Subject: What is the definition of "Major cities" for v103? Posted by AmsP on Thu, 26 Oct 2017 16:56:27 GMT

One of the four categories of v103 is "capital". In the DHS recode manual, "capital" is defined as capital cities and major cities. However, it does not give a clear definition of "major cities".

So I would like to ask what the definition of "major cities" is.

Many thanks.
