Subject: Re: Weighting in multilevel model with pooled data Posted by dgodha on Wed, 14 Feb 2018 09:44:28 GMT View Forum Message <> Reply to Message

Thanks Bridgette.

I agree with you and I have a good understanding of what kind of weighting will be required because of all that information out there. The threads are so helpful. What I meant was applying all that into my survey weighting commands.

I am sorry for the misunderstanding Best
