Subject: Re: School attendance for 6-17 years Posted by Bridgette-DHS on Wed, 14 Mar 2018 13:17:29 GMT View Forum Message <> Reply to Message

Following is a response from Senior DHS Stata Specialist, Tom Pullum:

School attendance is included in the household survey, for all persons of school age in the specific country. See, for example, variables such as hv121 in the PR file. However, there is no information about the type of school, e.g., public vs. private.
