Dear User,

Please review the following resources: The Guide to DHS Statistics <https://dhsprogram.com/publications/publication-dhsg1-dhs-questionnaires-and-manuals.cfm>, The Standard Recode Manual <https://dhsprogram.com/publications/publication-DHSG4-DHS-Questionnaires-and-Manuals.cfm> and Using Datasets for Analysis <https://dhsprogram.com/data/Using-Datasets-for-Analysis.cfm>. You may also want to post your code. Others in the user community may be able to provide some guidance. Please reveal the dataset and survey year you are analyzing. Thank you!
