(Please follow all the steps for registering if you want to post to the Forum)

NOTE: The attachment lists these same instructions but also includes helpful screen shots.

1. All suggestions for revising DHS Core Questionnaires should be submitted via the DHS Program User Forum on Questionnaire Review. <http://userforum.dhsprogram.com/>  
(Registration is not required for reading the contents of the forum).
2. Registration is required to post to the Forum. Click on "Register" to register in the User Forum.

The Signature should include your Name and Organization.
6. Other Settings can remain at the default settings. Click "Register" at the bottom of the page.
7. After you Register, you will be sent an email from [forums@dhsprogram.com](mailto:forums@dhsprogram.com) to confirm your registration. Click on the URL provided in the email to confirm. (this step is necessary to avoid spam registrations).
8. You will then be able to post your input to the appropriate topic folder. You can also comment on other postings.
