Dear User,

Can you please provide more details on what you are trying to accomplish? Perhaps you can share your code so that others in the user community may be able to assist.

You can also search the forum for posts on infant mortality. Other useful tools: The Guide to DHS Statistics <https://dhsprogram.com/publications/publication-dhsg1-dhs-questionnaires-and-manuals.cfm>, The Standard Recode Manual <https://dhsprogram.com/publications/publication-DHSG4-DHS-Questionnaires-and-Manuals.cfm> a series of YouTube videos: <https://blog.dhsprogram.com/dhsdataintro/> and for help with Stata: http://www.cpc.unc.edu/research/tools/data_analysis/statatutorial

Thank you!
