Dear Forum administrators,

Hi! As a user (and former staff) of DHS program products, I only see that the forum is open for DHS survey questions. I have a number of suggestions for the SPA surveys. Should I then go to the main website and look to the latest version of the SPA questionnaire? (I don't see it on this forum links). Or should I engage more directly/specifically with Paul Ametepi or other staff members dealing with those questionnaires?

Thanks,

Alfredo Fort
