Subject: Century Day Code error?

Hi,

On p.11 of the document here https://dhsprogram.com/pubs/pdf/DHSG4/Recode7_DHS_10Sep2018_DHSG4.pd f it indicates year 1900 as having 366 days. But year 1900 was not a leap year and had 365 days. Is this just an error in the document, or does it induce an error in the data?

Thank you
