hi

Ajit Yadav here in I working on women file and try to estimates Number of pregnancies with an ultrasound tested and Number of pregnancies.

Percentage of all pregnancies to women age 15-49 in the five years preceding the survey for which an ultrasound test was done and percent distribution of pregnancies with an ultrasound test by pregnancy outcome, according to background characteristics, India, 2015-16 table 8.12 In India DHS-4 but i don't find how to do please help me....
