Subject: Re: Append datasets about breastfeeding indicators Posted by Liz-DHS on Wed, 07 Nov 2018 22:07:41 GMT View Forum Message <> Reply to Message

A response from Dr. Tom Pullum: Quote:

There have been many previous postings on how to recode the ID codes for the strata and the clusters, and options for recoding the sampling weight, so you can correctly specify svyset in files with multiple surveys. Please look for such postings. Let us know if you can't find them.
