Qst 1001-1010 (HIV knowledge).
Qst 1011-1034 (HIV testing and counseling).
Qst 1035-1041 (HIV stigma).
Qst 1101-1103 (injections).

Man's Questionnaire:

Qst 124-125 (away from home).
Qst 414-433 (sexual activity, paid sex, and condom use).
Qst 701-710 (HIV knowledge).
Qst 711-719 (HIV testing and counseling).
Qst 720-726 (HIV stigma).
Qst 801-804 (circumcision).
Qst 805-807 (injections).

4. Malaria

Household Questionnaire:

Qst 127-138 (net ownership and use).

Woman's Questionnaire:

Qst 423-425 - Malaria prevention during pregnancy (also referenced under Maternal, Newborn, and Child Health).
Qst 619 (blood testing among children with fever).

Qst 630-645 Medication for cough/fever in children (also referenced under Maternal, Newborn, and Child Health).

5. Maternal, Newborn, and Child Health

Household Questionnaire:

Qst 20 (birth registration).

Qst 113-115 (type of fuel and place for cooking).

Qst 116 (crowding).

Qst 124 (smoking in the household).

Woman's Questionnaire:

Qst 206/207/216/220/221 (child mortality).

Qst 226-238 Pregnancy loss (also referenced under Family Planning and Sexual and Reproductive Health).

Qst 408-425 Antenatal care (Qst 420-421 also referenced under Nutrition. Qst 423-425 also referenced under Malaria).

Qst 426-428 (birth size).

Qst 429-431, 434-457 (postnatal care).

Qst 432-433 (caesarean section).

Qst 607 Intestinal worms medication for child (also referenced in Nutrition).

Qst 608-617, 648 (diarrhea).

Qst 618, 620-646 Treatment for fever/cough (Qst 630-645 also referenced under Malaria).

Qst 1109-1110 (health insurance).

Man's Questionnaire:

Qst 206-207 (child mortality).

Qst 216-220 (child health).

Qst 816-817 (health insurance).

6. Nutrition

Household Questionnaire:

Qst 145 (salt testing).

Woman's Questionnaire:

Qst 420-421 - Iron supplement for mother during ANC (also referenced under Maternal, Newborn, and Child Health).

Qst 464-470 (breastfeeding).

Qst 508A/B, 605 Vitamin A supplement for child (also referenced in Vaccinations).

Qst 525A/B (nutritional supplements for child).

Qst 606 (iron supplement for child).

Qst 607 Intestinal worms medication for child (also referenced in Maternal, Newborn, and Child Health).

Qst 650-653 (dietary diversity).

7. Vaccinations (child and maternal)

Woman's Questionnaire:

Qst 501A/B-524A/B (vaccinations for child).

Qst 414-419 Tetanus toxoid immunization for mother during ANC (also referenced under Maternal, Newborn, and Child Health).

8. Water, Sanitation, and Hygiene

Household Questionnaire:

Qst 101-108 (water sources).

Qst 109-112 (toilet facility).

Qst 139-141 (hand washing).

Woman's Questionnaire:

Qst 654 (stool disposal).

9. Other questions not categorized in specific topics

Household Questionnaire:

Qst 1-11 (Household Schedule and eligibility criteria [name, relationship, sex, residence, age, marital status, eligibility]).

Qst 16-19 (school attendance (ever and current)).
