Subject: weights for ttest Posted by MissFay on Wed, 26 Mar 2014 21:08:35 GMT View Forum Message <> Reply to Message

Hi all,

I want to compare HIV knowledge between the 2005 and 2011 Ethiopia DHS. I have appended these files.I have to use weights but I don't think you can use it with the the ttest. I think you can use svy by comparing means but I am not sure how. Can someone please explain how to compare means and incorporate survey weights. thanks kindly Fay
