This comment is made on behalf of the Gender Group at The World Bank.

In addition, consider a question that solicits the husband's role in decision making regarding his spouse/partner's working decision (especially in terms of wage/salary employment or self-employment)

We would love to continue the discussion and work alongside DHS to develop a more refined instrument in measuring the indicated indicators. Please do not hesitate to email Kathleen Beegle ([kbeegle@worldbank.org](mailto:kbeegle@worldbank.org)) and Daniel Halim ([dhalim@worldbank.org](mailto:dhalim@worldbank.org)).
