Subject: Re: DHS-8-PGSSC-Maternal\_Mortality-Template\_and\_POMR-REVISED\_Template Posted by IsaacWasserman on Sat, 16 Mar 2019 02:24:20 GMT View Forum Message <> Reply to Message

As powerful as modeling studies are, the only way to progress past the realm of the theoretical, and anchor ourselves in the realm of the real is to collect robust data. When surgery playing a role in nearly 1/3rd of all human disease, I can think of no better area to invest in better data collection. This will help evaluate ongoing projects, as well as steer new ones. Thank you for expanding into this important sphere.
