Subject: NFHS 4 Men's BMI Posted by Archana on Wed, 27 Mar 2019 19:08:11 GMT View Forum Message <> Reply to Message

I came to know that people have used it in their analysis in SPSS. I am using a stata DTA file which does not show this data. Please let me know if this information about Men's BMI is not available in DTA file as I don't have access to SPSS.
