Dear Sir/Madam

I am from Myanmar and I would like to reproduce the "Child discipline" in Table 17.5 in Myanmar DHS report book. I can't get the exact number and percent and denominator. Since "Early child development and child discipline" is not core module, I can't find anything regarding to this topics in Guide to DHS statistics. Could you please help me how should I calculate to get exact denominator and percent. I attached my do file for this topic. Thanks!
