Dear Seniors and Dr. Kerry MacQuarrie,
Thank you for your Stata code to produce estimates of spousal violence (emotional, physical, sexual, & any of these 3) in past 12 months.
I have used it for NGDHS_IR_2018 dataset and completely matched.
But, would you kindly provide the Stata code for estimating EVER spousal violence (emotional, physical, sexual, & any of these 3) in lieu of 'past 12 months'?

Thank you very much.
