Dear Seniors and Dr. Kerry MacQuarrie,

Thank you for your Stata code to produce estimates of spousal violence (emotional, physical, sexual, & any of these 3) in past 12 months.

I have used it for NGDHS_IR_2018 dataset and completely matched.

But, would you kindly provide the Stata code for estimating EVER spousal violence (emotional, physical, sexual, & any of these 3) in lieu of 'past 12 months'?

Thank you very much.
