## Subject: Cameroon 2011 DHS Posted by Beaver\_301 on Thu, 12 Dec 2019 02:02:22 GMT View Forum Message <> Reply to Message

Hello,

I was wondering when the tentative date of availability of the 2018 DHS dataset will be. Furthermore, is there a variable in the 2011 DHS dataset that captures cost spent (out-of-pocket expenses) to access healthcare services?

Looking forward to hearing your responses.

Thank you!
