Sami wrote on Tue, 28 August 2018 21:03Dear expert,

I am following above my quarry as i posted this more than a year ago. I am still waiting any assistance through DHS forum.

Thank you

Sammy

Dear expert, I am MPH student and know I am doing my thesis on Perinatal mortality by using EDHS data set but, failed to calculate stillbirth for the 2000 EDHS data. I need your assistance, please

thank you

Abebech
