## Subject: Multilevel analysis-Pakistan DHS Posted by saifulhaq on Fri, 24 Apr 2020 08:38:28 GMT View Forum Message <> Reply to Message

## Hello,

I am a research student and i am working on my thesis titled " individual and community level socioeconomic associates of Skilled birth attendance in Pakistan". i am using DHS data on STATA software fo this purpose. Can anyone please guide me on how to create community level variable form individual level variables using DHS data on STATA.

Best,

Saif Pakistan
