Dear User,

I think you might need to provide more detail to your question, but generally The Guide to DHS Statistic's section on maternal and child health gives you a) the coverage b) the numerators c) the denominators. The publication is on our WEBSITE and is bookmarked. Please click on the link to access "The Guide to DHS Statistics"

http://dhsprogram.com/pubs/pdf/DHSG1/Guide_to_DHS_Statistics_29Oct2012_DHSG1.pdf

Thank you! If you have additional questions, please feel free to post again.
