Subject: Cluster level shapefile to subnational level shapefile Posted by richavatsa@cub.ac.in on Tue, 11 May 2021 14:47:17 GMT View Forum Message <> Reply to Message

It is possible to convert cluster level shapefiles into subnational administrative level shapefiles? The recent (2017-18) GPS data of Bangladesh are defined according to clusters considered in the dataset. But I need division level shapefiles for my project.
