Dear Shireen,

Thanks a lot for your kindest support and I was able to recreate the tables with your help.

Unfortunately, I am stuck again with Table 8.1 - I partly analyzed it and requesting for help to recreate the section "Percentage of facilities offering services for diabetes that have: Guidelines for the diagnosis and management of diabetes, Trained staff (last 24 months), Trained staff (ever)". If possible asking for your help, please.

Regards,
Rubyath
