Subject: Re: How to carry out Individual Meta-analysis of DH surveys in sub-Saharan Africa using Stata Posted by SaraDHS on Thu, 09 Sep 2021 14:29:09 GMT View Forum Message <> Reply to Message

Dear ozeost,

There have been many postings about how to pool datasets to conduct analysis. Two that walk through some of the specifics are linked here:

https://userforum.dhsprogram.com/index.php?t=msg&goto=36 2&&srch=pooling#msg\_362 https://userforum.dhsprogram.com/index.php?t=msg&goto=35 70&&srch=pooling#msg\_3570

If those do not provide enough information, I suggest searching the user forum for "pooling".

Best, Sara
