Hi,

I have worked on a paper which uses the 2005 to 2018 DHS data for Senegal. We have obtained permission to use dataset from Senegal.

We are in the stage of submitting this paper to a journal. The journal requirement specifies the authors to include a statement on ethics approval. I would appreciate your guidance in this regard.

Do you have some format or statements that need to be included while writing the ethics statement ?

Thank you,

Camille Etcheverry
