Following is a response from DHS Senior Analysis & Research Manager, Shireen Assaf:

Please check our standardized code on GitHub at
<https://github.com/DHSProgram/DHS-Indicators-Stata> .

Specifically check the code for Chapter 2 (Chap02_PH) and the PH_SCHOL.do file. Please read the notes for this do file since you need to make some country-specific adjustments to get the correct year and month of the school calendar and age range for school attendance from the UNESCO website.
