Hello I am unable to understand definitions for IYCF indicators for nigeria dhs 2008

Among non-breastfed children age 6-23 months, percentage fed:

- A) 4+ times or more
- B) with 3 IYCF practices

Among all children age 6-23 months, percentage fed:

- A) 3+ or 4+ food groups
- B) Minimum times or more
- C) with all 3 IYCF practices

what is the stata code for developing following indicators was able to generate correct estimates for rest of indicators in table except these need help with this please unable to correct estimates for these indicators
