Subject: Re: IR: women's self rated health status variable? Posted by yingyilin on Wed, 18 Jan 2023 17:40:43 GMT View Forum Message <> Reply to Message

Hi Janet,

Thank you for your response, and many thanks to Blake and Tom's response.

I followed the information to check the several countries mentioned here (South Africa, Albania, Angola, and Morocco) and I still could not seem to locate this "v176"/"mv176" variable. Or, is it because these variables were not published, yet?

Thank you again for confirming! I greatly appreciate it!
