Subject: Re: IPV (Inactivated polio vaccine) calculation
Posted by Kazi_Salahin on Wed, 08 Feb 2023 14:54:54 GMT

Dear Tom Pullum
Thank you for your reply. I want to make the "Table 10.2: Vaccination by source of information" page 163

Can you please give me the R code or stata code for this table of BDHS-2017-2018 data file. Specially how to calculate the "IPV" under polio

Thank you
