Subject: Re: Estimation of percentage of 20-24 year old women who married before the age of 18 Posted by Varsha on Wed, 08 Mar 2023 14:26:21 GMT View Forum Message <> Reply to Message

Thank you, Tom.

Just one more clarificatory question. In the stata codes you have provided, you are replacing afm with v511x. So we can just replace v511x with 99 when v501==0 and get what we want. We do not have to generate afm and afc, right?
